“ I worked for a Hotel in Indianapolis for 12 years. Dave Antibus used to come to the hotel and stay for business. Dave was the most lively person. Dave had a huge contagious smile and he was so full of life. Dave would stand at the front desk and tell us jokes and laugh and cut up. Dave was very caring and when I had my first son he sent me cases of formula and pampers from his work. I will always remember Dave for his beaming smile and his sense of humor. God Bless.
