“ I was deeply saddened to hear of Dave's passing. Dave represented Shell at the ASTM standards committee that meets twice per year for many years. Dave was leader of our volatility task force. He exhibited his leadership style with courtesy and common sense and was admired as a knowledgeable engineer and a gentleman. We will miss Dave. I offer BP's condolences to his family. Jim Simnick BP Global Fuels Technology

“ To the family of David, my deepest condolences. I just learned about David's passing from a friend at Shell. I worked with him for several years as the administrative assistant in the Fuels Department. I will always remember his kindness, warmth, and sense of humor.  
Blessings to you all.
