“ I worked with Dave and we walked together on our breaks. I'm retired and only saw Dave a time or two after retiring but I felt really close to him. He was a great person and I know he will be missed at GE by many people. Rest in peace my friend.

“ I knew David from work. I am so sorry to hear this. He was such a kind, polite man. He was also an asset to Madisonville GE, he had an impeccable work ethic. He worked 3rd shift and I work day shift, I would see him and chat with him most mornings. I was happy when he told me he was cancer free and shocked when I learned of his passing. My prayers are with his family during this sad time, praying for peace and comfort to you all. He was one of the best and I feel honored to have known him.
