“ I remember everytime he saw me, even after I was grown, he would start singing "Delta Dawn". Only he would sing it Crystal Dawn, whats that hanging from your nose? could it be a dried up booger from days gone by? He was always funny.

“ Dave was a good friend that I played football with and I will always have fond memories of him as a classmate at ND, class of 82. He was a guy that had your back and I'm grateful I had the chance to know him and call him friend. God has another great guy from 82 to keep Mike company.
