“ I was so sorry to hear of Uncle David's passing. Our daughters sort of remember him as the one that looked like their Grandpa (Parmer).

I am sorry I cannot be with the family during the services, but I have missed so much work with Will's passing I thought I had best not take off.

I do wish to deeply thank Ernest and Donnetta for coming to Will's visitation on such a terrible night. Our family appreciated it so much. It meant alot to us.

Again, we are so sorry for your loss.

Love, The family of William Lee

Having worked with his daughter, Diane, over the course of the last decade, I know how much he was loved and cared for by the family.
