“ Dave was a dear friend, whom was one of the very first Bloomfieldian's that I met when I moved to Bloomfield in '88. I will always treasure the good talks we shared about life, the value of family and our passion for cars. A honest and dear friend. I'm sorry that you're dad passed away. He always spoke so proudly of each one of you.

“ David and I have been close friends for many years, and it's going to be hard to realized that I can't stop and talk to him about the good times we had back in the day, and car projects....and speculate about the one that got away. God Speed Buddy ! Your going to be missed by many.
