“ Donna, I'm so sorry to hear of David's passing. I've been away with similar family issues and just talked to your mom. I'm in shock and can only imagine that you are too. I believe that you can find comfort in knowing that David is no longer in pain and in knowing that you have many precious memories of you and David and your family that no one can take away from you. Please take it one day at a time, one hour at a time, or one minute at a time. Whatever it takes to help you carry on during this difficult time. Please know that my thought, prayers and Much Love are with you and yours.

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“ All of us at Boyle Transportation are saddened by the loss of Dave O'Connor. In addition to being a great work colleague, Dave was always willing to contribute and lend his talents in many different capacities. From his start as a hard-working professional driver to uprooting his family and taking on the challenge of setting up and managing a new terminal. And he certainly made Bloomfield his home. His dedication and his reluctant sense of humor will be sorely missed. Our thoughts and prayers are with Donna and the rest of the O'Connor family.
