“ My deep condolences to you, Debra, and to Jordan and Kayla...I am in a bit of shock, really.

David gave me a wine flask he had brought back from Italy as a token of friendship after I opened my old restaurant in Bloomfield and I still have it. He was always nice to me!

Being a stranger in a small town is challenging, but David was one who reached out to me with kindness and that touched my heart.

Obviously he was loved by many and will be deeply missed.

I would pay my respect to David in person were I still in Indiana.

Here's to you, Dave.
