“ *I have many fond memories of time spent with Dave and Carol during fun vacations in Florida and Michigan. While at Orange Lake, we could always count on Dave to get to the pool early and take up residence at an umbrella shaded table at which we could spend the day. While at our Michigan cottage one summer, I had the privilege of taking Dave fishing. We must have been a sight as we disembarked in my Sea Eagle inflatable fishing raft. It wasn't long before Dave had a strike and landed a large pike. We headed back to shore where he celebrated and I cleaned the fish. I am going to miss my favorite brother-in-law – his smile and his laugh were contagious. Susan Russell*

“ *My memories begin with daily games with Davy (our name for David until college when he became Dave), Martin and others first at neighborhood lots then Elkhart parks, summers at Klinger lake, the 1948 family car trip to California, boy scout camps and canoe trips. For many years I enjoyed bringing my kids to visit Dave, Carol and their kids as they all progressed through school to adulthood. Later memories were of Dave and Carol visiting us at our cottage in northern Michigan and our time-share in Florida and their 50th anniversary party at Buck and Shannon's. I sorely miss my only brother and wish we could have had many more years together.*

“ *I am so sorry for your loss. Mr. Russell was an amazing photographer. I loved picking his brain when we would shoot ball games together. He sure did love photographing his grand son and he loved high school basketball.*
