“ I always looked forward to your spending the weekends here. And the times you lived here were so very special. We had such fun trying to see who could answer the Jeopardy questions quickest and correctly. You were such a rock for me when Robyn was killed. I will miss you do but know I will see you again. I loved you dearly Dewayne.

“ I remember the great times we had when Dewayne came to visit at Grandma's house. We ran all day everyday. Most of the time Grandma was fine but there were times she wanted to lock us out of the house for running in and out too much. Even when we got older he would come and visit and we'd go out and pick up friends and drive around. Always happy memories. Now you are in the arms of Jesus. I look forward to seeing you again cousin.
