“ *I loved Aunt Dee, her sense of style and her sense of humor! She was a corker. I am sad that I did not make the time to go play euchre with her and Shelly. She outlived the medical world's prediction as if to say "you can kiss my tuckus, I'll go when I'm good and ready. I am guessing that she was ready. And now she's playing Euchre with Aunt Loretta, my dad Tom, and Larry. Save me a seat Aunt Dee! I'll see you on the other side.*
