“ *Dennis enjoyed listening to the old rock and roll. We would ride around in his van, he knew every back road in green county. We would talk about the good old days. He enjoyed having cookout and having his family come down. I will miss him. Cousin Vonda Ryan*

“ I enjoyed working with Dennis and could depend on his help anytime I called with a question. He always took time to ask how I was doing and reminisce about working together. He taught many Crane employees lessons of compassion and determination ❤️
