“ *From Mason Swoape
Dennis was a heck of a guy. He was always keeping busy but knew just when to "take 'er easy buddy!" I will definitely miss shooting the bull with him while working at the house. Rest in peace buddy.*

“ Uncle Dennis was a fun and loving person. Lots of great memories. He was a super cool and loving father to his kids. A fun memory to share growing up on summer breaks we would gather in the basement and at your pool. Many times Uncle Dennis would come home from a long day at work to a house full of kids singing and dancing to our hip hop music cranked on the boom box. He would come in and laugh at us, and would just let us have our fun. He always made all of us kids feel welcome there. Love and prayers to Aunt Charlene, Tracy, Andy, and Amanda - and their families during this difficult time.

“ *Joy and I send our sincerest sympathy and prayers.*

I have two special memories of Dennis to share— At Hiram and Daisy’s, watching his Dad, Lloyd, toss Dennis, when he was two years old, high in the air, catching him in his arms, and then laughing that wonderful laugh that he had— with Dennis loving every minute of it, and all the women being afraid he would drop him!

The other memory is of the wonderful, heart-felt, prayers that Dennis would give right before the offering was taken up at church —always so thoughtful, so meaningful, and so appropriate. His prayers, his laugh, his friendship will be truly missed.
