“ I am so very sorry for your loss. Denny was a super guy. When I was lifeguarding at the Bloomfield pool, the chlorine turned my hair green and Denny came to my rescue and somehow got it out. He was such a nice and caring individual.

“ *Our deepest sympathies go out to Juanita and the rest of Denny's family. We always got along well with him and had some really good times with him. I know of no one who couldn't say the same thing. May the Lord comfort you and give you strength in this sad time. When we rented the back apt. in the house on E. Main St., Denny proved to us that you really can pan fry and eat dandelions. Always something fun and exciting happened when he was around. He will be sorely missed, for sure.*
