“ My deepest condolences to the whole family. My favorite memory of Dianna was when I gave birth to her second grandchild. I think it was a Thursday and she was babysitting Casey. I expected them to come see the baby on the weekend. Dianna showed up mere hours after Olivia was born with Casey and said “give me the baby”. There isn’t another person in the world I would love to share my babies with. Donnie and Dianna were the best in-laws any woman could have and the best grandparents. Much love,
Jenny Brookshire

I believe Dianna Brookshire was a very special lady during my many years at Newberry, IN . We were in the Methodist Church & Eastern Star together. Julie, her daughter was young. I have many good memories of her. How she always baked her apple butter in the fall. She was a special lady. I will always remember her. I pray for her family that are left to remember the good times with her. MayGod hold each of you during this time of grieving.
