“ I'm very sorry to hear of your loss. When I was a 22 yr old starting in the transportation end of our business Dickie always treated me with respect, helped me when I needed it and taught me a ton. I'll never forget the time we loaded 8 Vest trucks in a day. It takes alot for someone with his expirience to take a youngster like myself and work with me the way he did. I'm very grateful to have known him. Take care and God Bless. Todd I'll see you soon.
