“ My sincerest condolences to the Easton family. I've known Don and a number of his family for several years. My parents and I were members of the Brookfield SDA Church, where he attended. He was a hard working man, keeping the church grounds well maintained. He was a very friendly man at church, always greeting us every Sabbath with a smile. He will be missed, but we have the assurance that we will see him again at that Glorious Resurrection Morning. May God be with each and every one of you as you grieve the loss of this dear man. May you feel God's presence ever near you during this time of sorrow.
