“ Velma, Linda, Glenn, so very sorry about your loss. Know how you all feel since the loss of my Dad. Mom and I planned on being there to be with you but with the weather did not think we should be out. When I think of you all, I think of the days when our families all got together with other friends and the adults played cards and visited. Of course, us kids all played together. My thoughts and prayers are with you.

“ To Velma and family: Although I didn't know Don very well, I feel as if I did because of the way my parents, Maynard and Grace, spoke of him. I know they cherished their relationship with Don and Velma very much. Know that our prayers are with you, Velma, and the rest of Don's family. I'm sure Don is with our Lord now patiently waiting for the rest of you to join him in Glory. God bless you, Dan and Brenda Dowden
