“ I will never forget all the times you rescued me and the kids when we were snowed in. Seemed that little car of yours never got stuck. All the fishing trips and cook outs. The weekends your boys stayed at our house. All the back road trips. The wheel chair ramp you built for my son Tanner to come home from the hospital so he could get in the house with two broken legs and all his injuries from that car wreck. We all had so many good times. You were so good to us all. We will miss your smiling face. Love and prayers to all who knew you was to love you . Bless your family and friends. I remember when you took me to your Sisters wedding. Great times. Could go on and on but I hit the highlights. I love and miss you always.
