“ *This is for Donnie..... I will remember you all my life for the wonderful man you are. I only knew you for a short while, however you gave me joy when you were in my wedding party. You looked handsome in your tux and I said to you "Donnie you sure clean up good" and you said the same to me. Donnie was such a caring and giving man, anyone could tell that from the first day forward. You worked hard while you were here . I could see you loved your family. I would have liked to have had more time to know you better and be friends. Now the angels will be your friends. See you again someday Brenda Miley*

“ I am sorry about Donnie. It was such a shock and still hard to believe that he is gone. My family and I love him very much. He was a great man.He will be missed immensely. We have to remember that he will always be in our hearts.One thing that Liz will remember is Donnie saying he wanted his basketball back...referring to her baby belly..he said he couldnt wait to hold his basketball...We wish he would have been able to.
