“ I am so sorry Jason and Carolyn. We were neighbors for a few years when my family lived in the Hendren house. I have many memories of the N Seminary group of kids playing all along that street. In fact, Norma and my mom were cousins. So, so sorry for your loss.

“ Jason, I am so sorry for your loss. We have never met, but I feel as I know you from the many proud mom posts that Casey shared about your wonderful career. Your dad and I were such long time good pals -- going back to the days when the Keller kids and Wilcox kids were inseparable in Crane. Someday when you are comfortable doing so, please reach out to me as I have such great memories of Mike and his family to share. I try to get back occasionally to Indiana to see my sisters in the Bloomington area. They too share my fondness for Mike and the Keller family.

*Peace be with you.

“ *Our sincere sympathy to Jason & Carolyn & family. One of my favorite memories of Casey that I will always have is how she would always tell me that Leon was the only Republican that she would ever vote for when he was Sheriff.*

Other memories are good times that she & I had in school. I will truly miss one of my 1971 classmates.

She is now resting in the arms of Jesus pain free with no anxiety.

Rest In Peace....Dear Friend,

Pam & Leon ❤️

“ *I was shocked in reading of Casey's passing. We grew up together on North Seminary Street. In some respects those were much better days and so far, far away.*

There will be fond memories always.
