“ *I'm sending my love and hugs to the entire family. I felt so blessed to have crossed paths with Doris. She created such an awesome and loving family. She loved each one of you and looked upon you with pride in her eyes. Doris would do anything for her family and passed that onto each of you, as I've watched each of you give to others and support each other. Doris was a loving, giving powerful woman, whom always had that sparkle in her eyes. Sending my peace and love. Tiffany Raidy*

“ *Diane and Steve,
Your mother really helped me Summer 1974 when I worked in Public Works with her. I really enjoyed getting to know her and was in awe of her professionalism and knowledge. She was an amazing woman, one to emulate.
Both of you had great mothers. Mary Alice Campbell was like a second mother to Nin and me the years she babysat us during the summer. Steve, I will never forget you chasing us around with a pig's ear that was just butchered at your grandparents. But hey, I still enjoy pulled pork.
Hope all of you are well!

“ *To the Family:*

Doris was one of the few that sent me a card when I lost my father. I have appreciated that and have not forgotten it. Although you will miss her, you know you will be reunited with her.

God be with you now and in the days to come.

“ *I'm so sorry for your loss. I've missed my trouble at work. Missed seeing her every morning & her teasing me calling me nuisance. I will miss her very much. I always enjoyed her pretending to be mad & then her little grin.*
