“ Just found out about Dorothy today and it saddens our hearts, what a wonderful lady she was. She will be greatly missed. She is one of those kind souls I will be looking forward to seeing when we all get to Heaven.

“ Daniel, Paula and families, you have my deepest sympathy however, earth's loss is heaven's gain. The dash between the years of her life, from birth until death counted so much. Oh what a memoir a Bible teacher and mentor. I am certain many will testify in heaven's glory 'Thank you for giving to the Lord,' because of you I made heaven my home. Not by my works but by the works of Jesus Christ and his works in me. Daniel your mother is looking down smiling upon you and her family today. May God comfort you and yours in this time of sorrow?
