“ My deepest Sympathy to the entire McKamey family. I worked for Jim for the first few years I was at Crane. He had a great sense of humor and a personal confidence that made working a joy. What I admired most, though, was how much he thought of his family. If you knew him, there was no doubt what was most important to him. He was a fine man.

“ *We were so saddened by the news of the accident. May Jim rest in the peace and grace of G-d. He was part of our family, and we will all miss him. We have been so blessed in his 'finding' us and for all the work he did on our geneology. Such dedication and love. Bless your hearts as you go through this difficult time. Know full well that he is resting in the hands of the lord.*
