“ To the Corbin Family:

Earl made my life better. He simply did. The sorrow I feel is matched only by the gratitude I feel to have had Earl in my life and to call him my dear friend. He is often in my thoughts and will continue to be.

I am so, so sorry for your loss, what you must be experiencing at this point in time, and I hope that the certain outpouring of love for and celebration of your son, brother, uncle, great uncle will be of some comfort to you. They say grief is just love with no place to go. I give my love of Earl to you, in hope that it will be of some benefit to you.

Much love to you all,

Wade
