“ I was so sad to hear about Earlane's tragic passing. She was one of my best friend's when we were in 1st and 2nd grade. We were cheerleaders together in high school and graduated together. I had hoped to make it down to pay my respects, but I have been feeling ill the last few days and don't want to spread germs. Praying for the family.

“ Where do I even start? I met Earlane for the first time about 10 years ago! She raises the man I am married to, the father of our beautiful children. We have had our times but she was my best friend and just wanted the best for our family. We talked every single day all day. She was the best mamaw my kids could have ever been blessed with and even more the best mother in law I could have asked for. She was my right hand, the one I called when I needed to vent or ask silly questions and she always had the answers. Countless calls asking what I should make for dinner or go for dinner lol. She will forever and ever be in our hearts. I love you so much and we will miss you thank you for being an amazing mamaw ❤️ Fly high beautiful and please guide me when I don't have the strength to do it myself.
