“ Jim and Sissy, I am just now reading about this...(9-21-11)and she has entered my thoughts so much today. Wish someone would have called me.... My heart breaks that such a precious woman has left our earth, but I know that her and Papaw Bernard, mom,dad, Hulda and Sue are all sitting around enjoying one another. Her and Bernard were such an influence to me and my "raisin". She was a Matriarch in her own right. My little girls called her "Ednie Pearl". She loved it. My best to you all.
