“ *One of my fondest memories of my uncle Eddie was us riding his little dirt bike that had no brakes. We use to stop it Flintstone style. He would race it across the yard and then slam on his feet...haha. We also played a lot of kick the can after dark and he would scare the \$\$\$ out of me. There was always an adventure with Ed around.*

“ So many good memories and laughs talking about Epsom with Ed. Learned a lot about fixing things, gardening & what to do about this and that. He was like my dad, kind, liked to help people, hard worker, loved his family and country. Didn't loose his temper to often but when he did, he did. My favorite place of employment was Allen Ace Hardware and the people who worked there, Ed was my boss. Always had a good time being around Ed, Tammy, Cathy and Kay. There were family too me. Well the gardens in heaven will be better now with Ed's help.

Ed was a friend from Epsom and it seems like yesterday we were having our fish fries, persimmon puddings, sunrise breakfasts at church and running around the softball field together at recess at Epsom school. He was a character and didn't know he was having health issues. God bless his family and you're right, Marilyn, the gardens will be more beautiful in Heaven with Ed tending them!
