“ Ranee and Fred, I am so sorry for the loss of your parents. Susie was a delight to work with...always smiling and laughing. Just the friend everyone loves. Jerry was the "big" brother I always wanted, but we never spent time together as we grew older, and I regret that. Families should stay close, and I know that you two will. I know they will be in your thoughts and prayers and will live in your hearts forever, as well as mine! Love you so much! Aunt Kay

“ My dear Ranee, I was so sad to read of the loss of Freddie's father today in the Herald-Times, my goodness you all have been through the ringer of late. If I can do anything, or just lend an ear...a dry shoulder...I'm here for you girl! You are blessed, and you and Freddie need to remember each of you have your parents' blood in you, and you carry on their legacy and made them so very proud. You are blessed to be a wonderful mom/friend/employee/woman.....and I am blessed to know you. One day at a time friend..... Barb
