“ Carolyn and Elaine, Although I heard about Royelle from you and from Aleva on numerous occasions, I don't remember ever meeting her. I do know that you were all very close and that you're going to miss that empty "space" in you life for quite awhile. I just want you to know that you're in my thoughts and prayers. I love you both and I hope you find the strength to hang in there these first few weeks, when it'll be the most difficult. I have faith that your strength and belief will get you through this. If you need anything, you know mom and I are always here for you. Love, Angel, Adan, Chance, and Gabriel
