“ Thank you all for your comments and love regarding my brother Ernie. I will miss him tremendously. I will never forget the great times we had together while we were growing up. His loss was a complete surprise for all of us. We all loved him dearly and tried to show it to each other every time we got together. Until we meet again little brother, take care, and give Mom, Lee, Dad, and Aunt Florence a big hug and kiss from me.

“ I'm so sorry to hear of the loss of Ernie. My heart breaks for his fiancé Jackie Tuttle and his family. They were engaged to be married. Jackie's family was fortunate to meet Ernie at a family reunion we had in August of 2013. He was a wonderful man.

“ I am so sorry to hear of Ernie's passing. He was not so much older than me. I did not hear about it until today or I would have tried to make it to the service yesterday. I am sorry I missed seeing the family and giving my condolences in person. My thoughts and prayers are with you.

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”
