“ *In my Rose Garden of memories I see you standing there An angel in disguise Who taught me how to care I long to hear your voice for real not in my dreams I am missing you so much these days how empty my world seems People say time heals all wounds that someday the pain will subside But Grandma I can tell you I think they must have lied The emptiness I am feeling now is strong and I am weak These days go by without you so dreary and so bleak In my Rose Garden of memories I know you'll always be for though you're gone from this mortal world In my heart you'll always be Love you grandma forever unconditionally*
