“ *Esther and I grew up together in the Scotland Community. As children, we enjoyed visiting at each other's homes, playing badminton, and exploring the woods and creek near my family's farm. Her family members were all good friends of my family. I'm sure Esther will be missed by many. Sincere sympathy is extended to her family and friends. ~ Eva Jean*

“*Esther was a good friend through our high school years. Although we weren't able to see each other very often in the past few years, we were always friends. Her smile and laugh will be missed. My thoughts and prayers are with her family.*
