“ Dear Jack and Bob, Im so sorry for your loss. My thoughts and prayers are with you and your family. I felt really blessed to of had a role in your mothers care. Eulah was a very special person, she had a very special heart, she was very proud of her family and loved you very much as she often told me. I loved sitting with her as she told me all the stories of her early childhood. (Im sure you have heard the same stories growing up too.) Lol. I will miss her alot. But I know that she is not suffering to breath anymore, she is looking down from heaven with her angel wings on with a big smile. Sincerely,
Lori London
