“ Maxine was such a beautiful person. What she displayed on the outside was just a reflection of her soul. I met Maxine while working at RCA. She was a group leader in the same area that I was. There was no one that worked any harder to accomplish her assignments. There was no one that was kinder to the ones that were assigned to work for/with Maxine. She became a dear, true, sweet friend to many. I was one of those lucky ones. Sadly, I was unable to pay my respects to her, but her family have been in my thoughts and prayers. I know they will miss her so very much. So will her friends.
Sincerely, Pat Sharr
