“*So sorry to hear of your loss. I grew up down the road from your parents, and actually spent a lot of time with your Dad when I was young. He was a great guy and so was your mother. I used to help him with his garden and back behind my mom and dad's house cutting wood. They will be greatly missed. Every time I see their old house, I smile and think of them! (My parents are Ed and Diana Jackson)*”
