“ Our thoughts and prayers go out to all who knew Flo, for me it was Aunt Flo. She lived only a few blocks away when I was growing up, so we would see her frequently. She was at all the family functions, always showed her love and compassion for her family. She is no doubt rejoicing with all of the other Angels awaiting the time when we shall all be together again. Together in Prayer.

“ *Flo and I first became friends when we were employed by Sarkes Tarzian, and we enjoyed many memorable times during our earlier years of friendship, and that friendship continued through the years; a highlight of my holiday season was receiving a card with a memo from Flo, even as recent as this past holiday season, wishing me the merriest Christmas ever, and I responded by letting her know that just receiving the card made it my merriest; she was beautiful in every way and loved her family.*

“ *I remember this pretty lady - I am 80 years old and used to go to Scotland with my Grandma, Verna Hamilton Hunter, to visit. The names of Flowella, Emma Jane, and Oneita stand out in my mind - I must have been in grade school then. My grandma's daughter Oletha was along with us also. Linda Hamilton (Ophie's daughter} now lives in the Chicago area and Jim Hamilton (Everett's son) lives in Florida. I think I ran into some of Flowella's family in a waiting room of the Linton hospital a few years ago. I have always been proud to have the Hamilton blood line and my heart aches for all of you now. Keep in mind that "Absent from this earth is present in Heaven." Sincerely, Joan Hunter Wright . (Martinsville)*
