“ We too have fond memories of Florence. There isn't ever a gingerbread cookie ate at any Burris house that Florence is not mentioned. Her cookies were always appearing in our mailboxes special times during the year. Our sons always wanted to stop there trick-r-treating knowing that she would give them cookies. Our thoughts and prayers are with you at this difficult time. She will be missed by all of us.

“ Mrs. Chinn babysat my brother and I on a few occasions and I remember her making gingerbread men for us. To this day, everytime I make gingerbread cookies for my family, I think of her! She will be missed.

“ We both have very fond memories of Florence. Jim as his favorite babysitter and gingerbread boy baker, and me picking apples with her in the orchard. She was a sweet lady and lots of fun. We will miss her dearly as well all of the rest of her friends and family. Our prayers are with you all.
