“ Frank gave me my start in EMS in 1984 as a summer help fill - in position EMT, an by the fall of '84 he hired me full time. I have always said all along Frank could be hard on a person but the one guy I knew that stood behind and up for his people. Many memories of work for GCAS, and spending time at the pit fishing and drinking a beer or two. What i am today was a direct reflection of what Frank did for me. I'll miss running across Frank and taking a minute to visit.
