PS

“ We wish to extend our condolences to Fred's family. He and Norma were part of our community until their health issues made it necessary to relocate to be with others that cared for them. They were just always "there" in their home place. Maybe at the mail box or coming from the woods after mushroom hunting. Changes always sadden us but we have the hope from Christ of a better place. I pray God's blessings for the ones that did care for Fred and Norma. Sincerely, Bill & Pat Sharr
