“ We have to think about what we had with Rick, not what would have been if he had lived longer. He wouldn't want that. He had many people who loved him, many friends and a big family. He has beautiful children and grandchildren who will grow up with good memories of him.

Please join us at the service to celebrate his life and remember what good times we had with Rick. There will be pictures and food to share afterwards. We are sorry but Linny has asked that the burial be private but you are welcome at the service and the fellowship afterwards.

Thanks to Pastor Raper and the Fitch families and the families of your wonderful church. Kathi said she felt like she was wrapped in love as soon as she walked in. Kathi said your church was founded in 1843. I can image all the horse drawn buggies and wagons pulling up to that church. Just the way he would have wanted it.
