“ When we lose someone we love The loss seems too great to bear
God sends us friends to comfort us To show that He deeply cares
But in the dark hours of the night When there's nobody else around
When we feel the saddest and loneliest It's there God's love can be found

It's like a soothing, healing balm To soothe our broken hearts The
healing oil poured over us That flows into every part

We can rest secure in God's love And know He's by our side He
holds us when we feel as though A part of us has died

We can know that God will listen When we just want to talk And
when we feel we need to cry We can share it with the Lord

For He is always waiting there Ready with arms open wide As we
pour out the hurt within He pours His love inside

Our Father above loves us so much And will never leave us alone
He will not forsake us in our need To face this on our own

He comforts us and strengthens us And rubs us with His balm And
as the dawn breaks through the night We'll awake in His loving
arms

Our deepest sympathy to you all. Debbie Wethington David (Tina),
