“ *My husband Joe knew Verse from hauling fuel years ago. We would always stop over and visit with him if we saw him outside. He was such a kind man and we thought the world of him and his wife. I'm sorry we didn't make it to the service, we literally just found out. We will be praying for Judy and his family.*

“ *Judy, it was even more evident today what an impact Gary had on others. I'm going to miss him terribly but it pales in comparison to the pain that you are having to endure. My heart goes out to you and the rest of the family, please except my deepest and most sincere condolences. I wish there was something that could be done to lessen your pain. Randy*

“ Judy, I’m so sorry that I won’t be able to attend Gary’s visitation. Sherry and I are leaving Friday and returning Sunday from a bus trip. Gary always took time to talk to me. My dad thought he was a great employee and person. My deepest sympathy and prayers for you and your family.
