“ *My thought and prayers are with Janet and Pam and the extended family. I know she will be missed so much by her family and was always such a large part of all the activities going on in the family. She had one of the most memorable laughs.*

“ *Gayla did her student teaching for Mr. Hannah when I was a Senior at Bloomfield High School and I had her for government. She did a good job and she was liked by the students. I can still see her sitting at the desk.*

*Also I had her on my paper route and she was always nice to me. You remember good folks like her.*

*All of you will be in my prayers.*
