“ My heart goes out to Gene's family. I never needed a second father but Gene came close. He and Emma Lee and Jewell took me on my first trip to Florida, what a treat. Another time the man avoided a disastrous situation on a snow covered road at Blue Barn hill with a jack knifed tanker sliding down the road toward us. He handled the car in a way we wound up safely in a ditch and the semi righted. I'll never forget him, he made a positive impact on me. God bless!
