“ Just wanted to add that we had a lot of fun times playing cards. A lot of fond memories. None of us will never forget the poker games that we had together. Oh, what times we have had. You sure was one of a kind. you filled our hearts with joy. Now our hearts will be empty for a long time, but we will always have our memories. Thank you for those precious memories. What a friend you were!

“ Keith had a heart of gold. He would give you the shirt off his back if you needed it. Keith has known me ever since I was born. He was like a second dad to me. He will be sadly missed by many, but never forgotten. He was an amazing man. I know he is in no more pain, so rest in peace dear friend. You are up there in heaven with so many of your friends. God will take good care of you. I know you have your wings, so fly high my friend. Love you.....
