“ *George was such a blessing to me when I served as Pastor at Newberry. He was always there to greet people at the door and kept count of attendance. He was not sure about me (Peggy) as the Pastor at first but he came around to support me quickly. He told me one day Peggy you're ok. George was one to say what he thought, One day he told me I am ready to go to Heaven whenever the good Lord gets ready to take me home. His only concern was for Sue and her being alone. George has run the race and made it to Heaven, I suspect there is another greeter and counter added at the pearly gates. Blessings and prayers to Sue and family. Newberry UMC has lost one of its great members and a great supporter. So sorry we could not attend we had a doctors appointment we could not miss. In Christ's love, Pastors Peggy and Fred Haywood*

He was like my older brother when I was a young child. When I became an adult, he was always there to lend a helping hand. He spent countless hours helping when I was farming, never complaining, always helping. I could never repay him for all his help. He actually loved that farm as much as I did. He will be sorely missed by all. Well done good friend.
