“ Joanna
My heartfelt condolences on George's passing. I will never forget what a wonderful man he was. He made a great impact on me. He kept his immaculate records and I had to convince him that not everything was black or white. He was very generous and never neglected to ask about what was going on in my life. God bless.

“ Love thy neighbor was how George lived his life. My lucky family got to live across the street! It was like winning the jackpot on the slot machine in their game room. :) George and Joanna were like parents and Dominick and Margaret, extra siblings. I have such fond childhood memories of him serving pancakes in the Jaycee food tent at the Apple Festival, setting up the tent camper in the yard every summer and following him around in their amazing garden. Will miss his birthday and anniversary phone calls so much. Sending love and prayers to you Joanna, Margaret, Dominick and the whole family.

“ Linda and I are going to miss George very much; and we will miss his birthday phone calls! He was a very people oriented person and will be missed by all who knew him. Very sorry for your loss. I got to know him well during my working years. When he retired he passed along his work duties to me, which opened up a new world for me. Joanna, Margaret, Dominick, & family - you are all in our thoughts during this trying time. Linda & Miles Olson

“ I am saddened by this news. George was the nicest person I have ever had the pleasure of knowing. We moved here in 1986 and lived a few houses down. I was only 6 at the time but he was always so nice to me and my family. My thoughts are with Joanna.
