“ *My thoughts and prayers are with Gene's family at this time. I worked with Gene for many years, and he was an all-around good guy. Everyone knew him for his fun-loving personality and friendliness. He was a devoted patriot for his country, and he was respected for that. He loved his family and shared that. This loss saddens me, and I pray that his loved ones will find condolences in God's goodness and grace. Sincerely, Pat Sharr*
