“ *Grace was such a wonderful friend. She had a heart of gold. I know going through my breast cancer, she would check on me. The day of my surgery, she insisted on catching a city bus and being at the hospital with me. I absolutely loved her and will miss her dearly. Fly high sweet angel. ❤️🙏*

I absolutely adored sweet Gracie. She was such a spunky, funny, talented human being. She was sometimes irrepressible which made her all the more fascinating. She was a gifted cook and took great joy in sharing her culinary talents with others. I don't think she understood how much she was loved and cared for by the people who knew her.
